

What problem do you want to solve?

We are happy to talk to your team about your needs.

How can Ostendo help you?

We will demonstrate Ostendo to your staff to see if we can offer a solution to your problem.

Ostendo adds advanced inventory, job costing, manufacturing, scheduling, service, mobility, distribution and dynamic reporting to your accounting system.

Ostendo is designed for...

- Manufacturers - Process and Discrete
- Job Shops - Fabrication
- Sales, Service and Repairs
- Equipment and Preventive Maintenance
- Consulting and Contracting Services
- Trades and Subcontractors
- Construction and Projects
- Distributors and Importers
- Retailers

The screenshot displays the Ostendo Operations Centre interface. The top navigation bar includes options like 'New Sales Order', 'New Job Order', 'New Direct Invoice', 'New Payment', 'New Deposit', 'New Email', 'New History Note', 'New Call Ticket', and 'New Customer'. Below this, there's a search and filter section for 'Customer' with fields for 'Name', 'Date From', 'Date To', and 'Mode'. The main area is divided into several sections:

- Activity List:** A table showing various activities such as 'Sales Invoice', 'Sales Order', 'Customer Payment', 'Customer Email', and 'Job Order' with columns for Date, Activity Type, Activity ID, and Status.
- Top News:** A section titled 'Copyright, patents, telecommunications and IT projects' featuring a 'COMPUTERWORLD TOPNEWS' article with a 'Keep up with the latest IT-related news from New Zealand and around the world' headline.
- Production Dashboard:** A section for 'GREEN WAGON ENGINEERING LTD' showing a flowchart of production stages with progress indicators: 'MACHINE-CNC303 - 0% (0 hrs / 8.5 hrs)', 'MACHINE-CNC303 - 41% (3 hrs / 8.5 hrs)', 'MACHINE-CNC303 - 81% (6 hrs / 8.5 hrs)', 'Quarry - 7% (0.6 hrs / 8.5 hrs)', 'BOOTH-PAINING - 12% (1 hrs / 8.5 hrs)', and 'Packaging - 20% (2 hrs / 8.5 hrs)'. A 'Loading Legend' shows color-coded bars for 0-40%, 41-75%, 76-90%, 91-99%, and 100% loading. A 'CLICK ME FOR HELP...' button is at the bottom.

The Ostendo Operations Centre improves visibility by displaying the Customer or Supplier as the Centre of the Universe, pulling together all their activities across Ostendo into one 'Show and Tell' Screen.

- Ostendo assists you to focus on profitable work, higher return activities and the real business goals.
- There are many ways to improve productivity. Sometimes all you need is one good idea.
- Help your operations team to be more effective and put them in the driving seat of the operations system.
- Achieve better business performance with Ostendo.
- You will learn how to use new tools with Ostendo.
- You will need an alert mind, time and a budget to setup Ostendo and train your employees.
- Ostendo License is \$1250+GST per concurrent user. The annual license renewal fee is 20% of the list RRP. Remote Tablet Users are free of charge with Ostendo.
- Ring us today for a needs assessment and a demo.
