

Webstore is the convenient, secure and simple way to sell your products online.

Webstore is a must for all small to medium size businesses who want an e-commerce Website connected to Ostendo.

Key benefits of Netfira Webstore include:

- Free to download, simple to install and connects to Ostendo in minutes
- Choose Webstore template, insert your logo and easily change style, colours and content
- 24/7 real time pricing, availability and ordering
- Choice of payment and shipping methods
- Automatically creates sales orders in Ostendo, eliminating data entry and keying errors
- Publish to the Netfira Web Directory
- Can link to existing Web sites
- Sellers only pay \$1.50 per sales order received and site hosting is free
- Live link to Ostendo inventory - no need to maintain a separate Website catalogue
- Supported by Netfira Professional Partners
